

## EXPLORATORY ICEBERG ACTIVITY

**Directions:** Select a major you are interested in exploring and write what you know about it above the water line. Then, connect with others (advisors, faculty, peers, alumni, professionals in the field, etc.) and use resources like the USC Career Center's [What Can I Do With This Major](#) tool and the [AEA Major Discovery Activity](#) to write what you learn below the water line.

Major of Interest: \_\_\_\_\_
